

Hello & Festive Greetings!

Just a reminder that we are your Independent Tenants & Leaseholders Advisors: Christine, Rob and Ifte. We have been on the estate visiting people over the last couple of months; our photos (just so you know who we are) and contact details are below, feel free to contact any one of us about your estate, especially if you have any ideas, concerns or issues you wish to discuss about the future of Kingsbridge.

Resident Steering Group

A number of residents have stepped forward and joined this group which is working with New Mill, Mike Tyrell from the 4estates forum and One Housing to look at the possibilities for the Kingsbridge Estate. We would love to see more people join so we can make sure all three blocks are well represented and that tenant and leaseholders all get to express their views and vision for your estate to be heard.

The group meets once a month, either on the estate or in the Docklands Sailing Centre. If you are interested please contact Christine or Rob at the contact details above and we will send you the information.

Questionnaires

We have now spoken to around 50% of the households on the Kingsbridge Estate and would like to speak to the other 50%! The questionnaire is your opportunity to tell your landlord exactly what you think about your home, your block and your estate - it is your opportunity to start the discussion about Kingsbridge's future.

We want to engage as many people as possible: tenants, leaseholders and private tenants, all of you are important to the discussion; we can complete the 'Starting the Conversation' questionnaire at your home, over the phone or by email, whichever you would prefer.

We have been completing the Starting the Conversation questionnaires jointly with One Housing's regeneration team. However, if you would rather complete the questionnaire on your own, or just with New Mill this is not a problem.

You can also contact us on our Freephone number 0800 0304 588
